

Lakes Electric Delivery Service

What do I do?

Deliveries for companies and individuals throughout the lake district with zero pollution. Helping to lower your companies carbon footprint.

Great promotion for your company to be seen to be green in and around Cumbria. Give the right impression to your customers and other businesses.

From a parcel to a pallets if it fits, I can deliver it.

Collections/deliveries from and to other businesses or direct to customers.

Advance booking, same day, next day as well as direct last minute jobs all undertaken.

All items are protected and secured.

Ideal for delicate items.

Also available are presentations with Q&As on switching your company to electric vehicles.
