# Why engage with an external business consultant?

**Working long hours, lack of holidays or no real plan**

**Frustrated** – Turnover's hit a glass ceiling.

**Anxious** - Net profit < 5%.

**Concerned** - Cash flow tight.

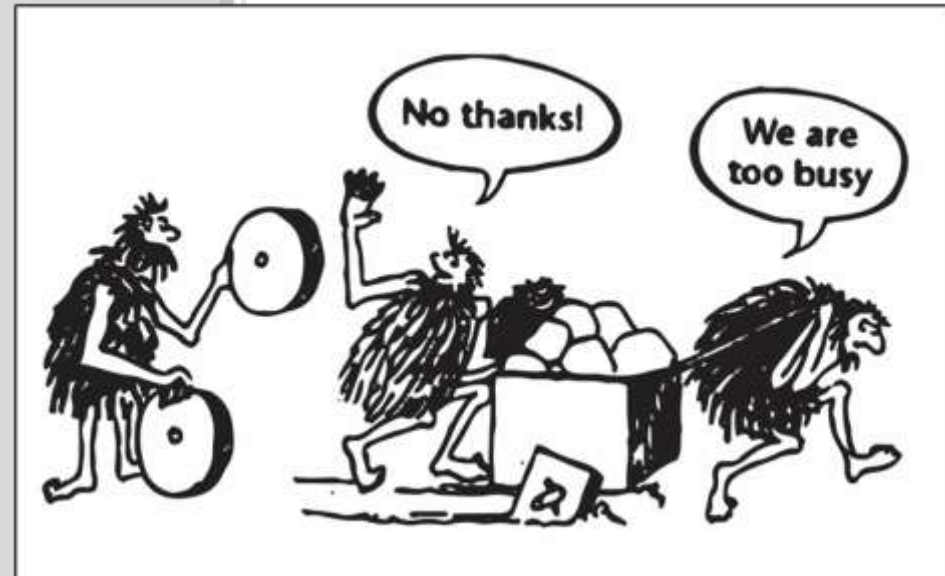

**Likely due to the Business Owner;**

- Knowledge & skill set to deliver.
- Dealing with all staff.
- Main contact for customers & suppliers.
- Solving all the issues.
