# Programme and Project Partners (PPP)

## What is PPP?

- The Programme and Project Partners is a model for the delivery of all future major projects at Sellafield over the next 20 years with c. £7Billion spend at today's values.
- A long term, collaborative partnership between Sellafield and four Lot partners to transform major project delivery performance at Sellafield
- The model will create a lasting legacy that goes beyond world class project delivery by investing in the next generation workforce and lasting social impact

# Who are the Programme and Project Partners?

& environmental  
services)

# How do you get involved?

Suppliers wanting to bid on PPP projects can register to both CTM and the PPP Mailshot to be updated about current and new opportunities to tender:

- Register with the PPP Mailshot registration by emailing: [pppsupply.chain@sellafieldsites.com](mailto:pppsupply.chain@sellafieldsites.com)
- In the email, explain that you would like to register an interest in PPP on behalf of your company. If not specified otherwise, your contact details will form the point of contact between your company and PPP.
- Please supply a small amount of information on what your company does and your previous experience (be very brief, this is just to provide an indication of your business to PPP)
- You will receive the same advertisements that you would receive on the Complete Tender Management (CTM) System via email.
- And/or register with CTM at: <https://sharedsystems.eu-supply.com/login.asp?B=SELLAFIELD>
