Join our Cumbria Accelerator Event Hosted by
McMenon's, Workington

Tuesday 26 September 2023 10:00 AM - 1:00 PM

EXPERT ADVICE

Find out about the latest support available for your
business from:

Cumbria LEP
The Department for Business and Trade
Made Smarter Programme
Innovate UK EDGE

They'll be on hand to offer advice on innovation and
international growth, workforce development, funding,
and more.

OUR HOSTS

We'll take a tour of McMenon Engineering Services' world-
class facility, which supplies flow and temperature
measurement instrumentation to more than 60 countries
globally, across industries including renewables, nuclear,
energy, and food/beverages.

In association with:
