Dalton Nuclear Institute

OPEN DAY

DALTON CUMBRIAN FACILITY

11:30 AM – 2:30 PM

THURSDAY
9TH JULY

Are you aware of the suite of analytical equipment that we have available at DCF, and how it could support your research or technical work?

We're hosting an open day event to showcase our analytical equipment – this is a drop in style event for those who want to: understand the range of equipment we have available and learn what it can do.

EXPLORE.
DISCOVER.
GET INVOLVED.

TOURS &
DEMONSTRATIONS

MEET OUR
RESEARCHERS

SEE OUR IMPACT
IN ACTION

INSPIRING
