

# Open Day

Wednesday 27th July 10.00 - 14.00

The Goodlives Growing project at Westlakes Science Park is an ongoing project for unemployed people over 16+ looking to get back into work.

Come and see how much we have grown and even have a go at sowing some seeds.

# Location

We will be running a shuttle bus from our Skills4You Training Centre on Ennerdale Road in Cleator Moor.

If you want to meet us there the best car park is located at Innovation Centre or Robinson House with a short walk to our site.
