RESPONSIVE TRAINING SERVICES LTD

Level 2 Award in the Principles of Fire Safety (RQF)

Who is this qualification for?

This qualification is aimed at anyone involved in the management of fire safety in any workplace. This includes managers, supervisors, team leaders, fire wardens (marshals) and staff working in any area where there is a potential risk of fire. Learners gaining this qualification will know that fire safety is the responsibility of everyone in the workplace and will recognise the consequences of fire in any premises.

How long will it take?

This course will take **1 day** to complete.

Requirements

There are no prerequisites for this qualification. However, it is advised that learners have a minimum of Level 2 in literacy or numeracy or equivalent.

Topics covered

These include hazards and risks, the control of fire risk, principles and practice of fire safety management at work and the role of the nominated fire warden.

Assessment method

This qualification is assessed by a multiple-choice examination.

Why Choose this course?

Once you have completed this **Award in the Principles of Fire Safety** you will hold an internationally recognised Level 2 from Highfield who certify 350,000 learners every year. After completing this qualification you can lead on to an IOSH Managing Safety for further learning or a career progression as a Health & Safety Adviser, Fire Marshal and many more.
