

RESPONSIVE TRAINING SERVICES LTD

Level 2 Award in Risk Assessment (RQF)

Who is this qualification for?

This qualification is designed to provide learners with an awareness of the benefits of risk assessment in any environment.

How long will it take?

This course will take **1 day** to complete.

Requirements

There are no prerequisites for this qualification. However, it is advised that learners have a minimum of Level 2 in literacy or numeracy or equivalent.

Topics covered

These include why risk assessments are necessary and the principles of risk assessment

Assessment method

This qualification is assessed by a multiple-choice examination.

Why Choose this course?

Once you have completed this **Award in Risk Assessment** you will hold an internationally recognised Level 2 from Highfield who certify 350,000 learners every year. After completing this qualification you can either lead on to a **Highfield Level 3 Award in Risk Assessment, IOSH Working Safety**, for further learning or a career progression as an Environmental Advisor, Health & Safety Worker, Engineer, Safety Advisor and many more.
