Pipeline

PA23 - Pipeline Notice (UK1)

An announcement made before the start of the financial year, 1 April, detailing procurement plans for the next 18 months. Publication of these notices is mandatory for contracting authorities expecting to spend more than £100m in the next financial year. Only procurements worth more than £2 million each are required within Pipeline Notices

- NDA and all OpCo's publish our pipelines on our individual websites
- Opportunities are also visible in Atamis
- gov.uk/government/organisations/nuclear-decommissioning-authority/about/procurement

Central Digital Platform

1. The online system referenced in the Procurement Act 2023 (Act) and named in the Procurement Regulations 2024 (regulations) as the central digital platform is available at <https://www.find-tender.service.gov.uk/>

2. The central digital platform will enable:

a. contracting authorities and suppliers to register and receive a unique identifier;

b. contracting authorities to publish notices and other information as required under the Act for covered and below-threshold procurements;

c. suppliers to submit and store certain core organisational information as required by the regulations to participate in a covered procurement. This information will only be available to those contracting authorities that a supplier chooses to share it with; it cannot be freely accessed.

d. anyone to view the notices and access related public procurement data.

PA23 Notices of a forthcoming procurement

Preliminary Market Engagement Notice (UK2)

An invitation for suppliers to participate in preliminary market engagement.

Planned Procurement Notice (UK3)

An optional announcement by a contracting authority, indicating its intention to publish a tender notice. These notices contain enough information for suppliers to start planning their bids, and primarily aim to shorten the tendering period. If the market is given advance notice of 40 days to 12 months, the tendering period for the associated procurement can be reduced to just 10 days.

Tender Notice (UK4) – for Public Contracts

Notices for Public Contracts are commonly known as High-Value Tenders, and advertise contracting opportunities valued above the thresholds.

Collaborative Procurement

- Historically been a coalition of the willing
- Collaborate where it make sense – led by most appropriate OpCo
- Procurement Steering Group (PSG) provide assurance of collaborative procurements
- Collaborative procurements contracts via PSG are worth **£1.2B** (excludes IT spend)
- Stationery / Business travel / PPE / Credit cards / MRO (Electrical/Mechanical spares) / Laboratory consumables /Gases / Contingent labour / Beach monitoring (some of these are open opportunities)
- We are actively looking for more opportunities

NDA Group - New ways of working

- Some Integration of 'back office' functions
- Doing things once more effectively
- Making the journey easier for suppliers
- One standard tender document
- Standard terms and conditions
