Version: 03

Key Notes:

The enclosed data is a forward look of potential procurement activity across the Sizewell C Project.
The commercial lookahead will be refreshed on a quarterly basis.
The information presented reflects the contracts Sizewell C anticipates to procure within the next six months. Sizewell C make no commitment that:
- the requirements identified in this table will be procured
- the package title and or scope will not change to suite the demands of the project

The publication of this pipeline, nor any of the information presented within it, should not be taken as a commitment to enter into a contractual arrangement or proceed with a procurement.
Circumstances may change and we cannot guarantee that the requirements, contract value and/or timeline will be as stated.
