

DADA Enterprises Limited awarded a place on ESPO Framework 664_21

DADA Enterprises are pleased to have been awarded a place on ESPO Framework 664 Consultancy Services. The framework commenced in September 2021 and has been designed to create a simple and efficient solution for those looking to procure trustworthy advice from pre-approved suppliers.

To help public sector organisations access the right solution for their requirements, the framework is divided into 10 distinct Lots covering a wide range of areas to help meet a broad range of requirements.

Services we offer under the framework include:

- ISO 31000:2018 Risk management assurance
- ISAE 3000 & 3402 Service Organisation Control
- Benchmarking and Quality Assurance
- Internal Audits
- 2nd Line Governance Assurance
- Fraud investigation
- Internal control reviewing
- Operational reviewing
- Compliance reviewing
- Specified purpose audits

Accessing our services via this framework ensures your organisation is procuring services compliantly with procurement regulations and can save you valuable time - offering public sector bodies the benefit of accessing without having to run a full procurement process.

About DADA Enterprises

DADA can provide assurance reports in the execution of programmes such as the European Regional Development Fund (ERDF) as well as SOC 1 & SOC 2: ISAE 3000 & ISAE 3402 reports. Separately our Associates can provide 3 Lines of Defence (LOD) Assurance, Operational reviews, ITIL Level 4 certification and P3M3 organisational maturity design.

About ESPO

ESPO is a public sector owned professional buying organisation (PBO), specialising in providing a wide range of goods and services to the public sector for over 40 years. They offer a comprehensive, one-stop shop solution of over 25,000 catalogue products, over 100 frameworks and bespoke procurement services - all with free support and advice available from their expert teams.

If you'd like to find out more about the framework or the services we offer, contact us on **tenders@big-dada.co.uk** quoting ESPO Framework 664.
