Conference & Awards Location: The Vox, Birmingham

# Join us at the Women in Nuclear UK Annual Conference and Awards 2026!

Our Women in Nuclear conference invites sponsors to be part of an inspiring, future-focused event exploring the next frontier of nuclear innovation from the transformative role of AI to the growing impact of SMRs and AMRs in delivering safe, reliable, low-carbon energy.

By supporting this conference, you champion not only the technologies that will power tomorrow, but also the diverse talent and inclusive leadership needed to drive them forward. Join us in shaping a positively nuclear future where innovation thrives because every voice has a seat at the table.

## **SUPPORT OUR CONFERENCE AND AWARDS**

We have a range of sponsorship packages available. All packages will be allocated on a first-come, first-served basis.

We do ask that all our sponsors are signatories of the WiN UK Charter, and if you are not already a signatory and would like to be, you can sign up to [WiN UK's Industry Charter](#).

## **SECURING A PACKAGE**

All of the packages provide excellent opportunities for you to demonstrate your support of WiN UK and raise your own brand profile. To book, please complete the form below and for more information, contact [register@winuk2026.co.uk](mailto:register@winuk2026.co.uk)

## Award Sponsor- £4,000 +VAT

**CHAMPION OF THE YEAR** - This award recognises a person who has been visible, supportive and influential across the nuclear sector in building recognition of the importance of gender balance and diversity.

**ALLY OF THE YEAR** - This title will be awarded to a man in the nuclear sector who is going beyond the day job to improve gender balance and diversity. Together, everyone, no matter what their gender, has the power to address the gender balance issue in our industry.

**MISSION POSSIBLE** - This award recognises someone who is tenacious in their mission to make change happen. As an individual they are working behind the scenes to make a vital difference through their actions and words and by being determined in their mission. As a result, they can be the catalyst for great change through continued effort, passion and conversation.

**CHARTER SIGNATORY OF THE YEAR** - WiN UK developed an Industry Charter to help organisations focus on the activity that can improve diversity and gender balance. Over 60 organisations have already signed up to WiN UK's Industry Charter.

**REGIONAL INNOVATION** - This award was introduced to provide recognition for those working regionally to promote gender balance in the nuclear industry. Teams, businesses or organisations who may be small in stature but are big in impact, are encouraged to contribute to our industry to be more inclusive and specifically to address gender balance.

**SOLD**

**TECHNICAL EXCELLENCE AWARD** – The Technical Excellence Award recognises an individual or team who has demonstrated skill, innovation, and dedication in developing or delivering a technical project that contributes to advancing the mission of the nuclear industry
